NEW BUSINESS;

10th Anniversary party progress – Above & Beyond, Mugs Party Store, M-K Creative Designs and Muddy V & the HouseRockers have been paid in advance to come out of the WMLAR 2009 budget.

Judi will call Rykes to order cake – suggest we look at cupcakes.

Low count on reservations, committee suggest we send out a post card to each agent along with sending out the invitation via email.

We took the time prior to the meeting to wrap Hershey candy bars with our Logo.

OLD BUSINESS:

Family Picnic – Lorraine Griffin is working on a proposal with the Ottawa County fairgrounds for another family picnic for this summer.

Hockey game – send out a survey via Survey Monkey or via weekly bulletin to see if there is an interest.

Golf outing – Staff driven but need help from this committee. Judi Henshaw reported the idea of having 2 outings, one to the North and one to the South. One early in the summer and possibly one in late summer early fall. This committee thought it to be a good idea.

Next Meeting – February 9, 2010 @ 3:30 – finalize details for party
