Watch your mail for a postcard letting you know what time to make the exchange. **Please reserve 30-60 minutes for this important conversion.**

#### On Rapattoni-

- open the listing you want to place the keybox
- go to Revise listing
- scroll to Supra Keybox, choose Assign Keybox

#### OR

- go to [supraekey.com](http://supraekey.com)
- go to KIM
- on the left side is Assign Keybox

### COMMUNITY LEADERS BREAKFAST

WMLAR will be hosting a series of breakfasts with the mayors and township supervisors of several municipalities and you're invited! We have regionalized the events in order to facilitate more

specific discussions and foster greater interest. The format will be loose with the guests giving an update on what is happening in their particular unit of government and that will be followed by questions and a discussion of real estate issues. The cost for each breakfast is just \$5 and space is limited to 50 at each event, so reserve your spot soon.
