“Things Will Be Great—In 2008!”

ACTIVEKEY UPDATE

Since your ActiveKEY is always ‘on’, it needs to be charged just like you do with a cell phone. Your ActiveKey keeps receiving signals and provides realtime information even though you may not be using it. Supra indicates the typical charge should last 2-3 days but severe cold, heat and, of course, usage can affect that. It is recommended that ActiveKEY users consider getting and using a car charger, then simply get into the habit of connecting the Key to the Charger as your drive. Chargers are in stock and available for only \$24.95 plus tax. Contact Deb at WMLAR for information or to acquire your charger.

FROM YOUR MLS DEPARTMENT

Legal Description is a required field. If the legal description is too long to enter in the field and you enter ‘LL on file in Listing Office’, you must upload a copy of the Legal Description under Attach Documents.

WWW.WMLAROPENHOUSES.COM

Are you using this valuable tool that saves you both Time and Money? Don’t forget that you can customize your Agent Profile too! Members can schedule Open Houses quickly and easily and there is no charge for this service.

HOME ADDRESS UPDATE

The National Association of REALTORS® now requires your Home address. With 2008 being a key election year, it is very important we have accurate home address information not only for National elections, but also for when it comes time to run district director elections. Each year NAR has received phone calls and emails from members who should be able to vote for a candidate. But upon reviewing their record, NAR either has their office address as the home address or a PO Box or no home address at all. Please take the time to **log onto Membership Director to make sure WMLAR has your correct home address.** Please **do not** enter your office address or a PO Box. Again, **this information is being mandated by NAR.**

ABR CLASS COMING

March 26-28, 2008, WMLAR. Those interested may take just the one-day Foreclosure course for a cost of \$145. **Sign up and pay online through Membership Director.**

IT’S A GIRL

Congratulations to Michael Yates, LaSalle Bank, and wife, Katie, on the birth of Gracie Lang, born Feb 7, 2008, weighing 7lbs 4 oz and 19 inches long.
