PROFESSIONAL COURTESIES

The issue has made its way into the Boardroom at your Association. Concerns seem to have increased lately in terms of professional ethics, providing feedback on showings, returning phone calls or emails, and paying close attention to all the details of bringing a transaction together. We're all in this business together and working cooperatively and respectfully with each other makes for a stronger industry and happier clients and customers. Please respond to those phone calls and emails and let's be like the Marines—"The Few, The Proud, The REALTOR Members of WMLAR."

10TH ANNIVERSARY TABLOID IN THE HOLLAND SENTINEL!

Did you see it? Looked great as it hit news stands last Friday! Our friends at the Sentinel produced a 12 page full color tabloid section in honor and recognition of WMLAR's first 10 years of providing great programs and services to members while also benefiting the buying and selling public. The articles highlighted why we were formed in the first place and what it is we do. Our THANKS to the Sentinel and also to all of the great Members and Affiliates that placed ads in this special anniversary section. You're the best!
