GREAT NEWS FOR IPHONE USERS

Coming in August/September, an adapter will be available for purchase. This adapter will allow iPHONE's to be used as a Supra Key (eKEY). It simply plugs into the bottom of the iPHONE, no batteries required. Contact **Deb** at WMLAR if interested.

NOT PERFECT BUT GETTING THERE...

It's been nearly two weeks since we welcomed the Grand Rapids Association MLS and the Montcalm MLS into SWMRIC. Sure, there have been some hiccups, largely involving duplicate listings. These issues and others are being dealt with daily as the system becomes 'cleaner' with each passing day. Integrations of data never are perfect but it's getting there. Hopefully, REALTORS are enjoying the benefits of having the two new member Associations MLS's in the SWMRIC family. Any questions or problems-please let us know. We're here to assist!

CONVENTIONS ARE COMING, CONVENTIONS ARE COMING!

Your MAR Convention takes place in Mt. Pleasant in late September and it's a great place not only to network with peers but to have a great deal of fun while picking up those necessary Continuing Education Credits. Great value is to be found. For information, simply go to www.mirealtors.com.

THEN, get ready to have a blast in New Orleans in November. If you've attended a NAR Convention before, you KNOW the benefits and the good times that are part of it. If you've never gone, you really need to consider doing it. Information? Go to www.realtor.org
