

ONLINE CLASSIFIEDS

- Does your buyer/seller need to get rid of a washer or dryer?
- Are you looking for someone to buy that TV you are not using anymore?
- RWC is pleased to announce Online Classifieds to help you and your customers sell items you no longer need or want.
- A \$10 check made out to Realtors Who Care will get you a 15 day run to sell your item. You will have 100 characters to list your item and it will be posted to a special section on the WMLAR website. Items can be offered for sale the 1st-15th or 16th-end of month. You can also choose to keep running the ad if it doesn't sell for an additional \$10 for another 15 days.
- What a great way to help your relocating customers or yourself make some extra cash.
- Order forms are provided at your office. A \$10 check made payable to WMLAR can be dropped off at WMLAR or mailed in. You must include a contact name, number, email or address. For more information or questions, please contact Lori Santellan from WMLAR at (616) 846-6240.
